Communities of practice in adult learning and education

as part of the CONFINTEA VII follow-up process

@Rawpixel.com/Shutterstock.com

WHY? Objectives of the CoPs

1. Provide a common space to monitor implementation of the MFA at national and regional level

2. Foster continuous dialogue and peer learning on ALE and LLL

3. Identify current trends, challenges and opportunities related to monitoring the implementation of the MFA

4. Promote easy access to information and data on ALE

5. Build capacities and strengthen cooperation between countries

HOW? Structure of the CoPs

Community

- Professional
- Regional
- Common interest

Domain

- Adult Learning and Education
- Lifelong Learning
- Policy and Practice

Practice

- Interactive activities
- Developing and sharing resources, tools, and stories

Language: English
