

Organization Represent: Global Partnership for Education

Country: Global (Secretariat in USA/France)

- GPE is the world's only **partnership and fund** entirely dedicated to education in lower-income countries.
- GPE's partner countries: over 70 lower income countries
- Mission for GPE's Strategy 2025: To mobilize partnerships and investments that transform education systems in developing countries, **leaving no one behind**
- **Access, gender equality** and **inclusion** are priority policy areas for system transformation grants
- All grants are expected to consider **gender equality, right to education**, and **leaving no one behind** in their design
- GPE monitors equity (in access, completion and learning) in our results framework and reporting, and in monitoring grants

Some of your projects toward equitable education – Let us know more about them

- [Household survey data on disability and education](#): assessing availability of disability-disaggregated data across GPE partner countries
- Forthcoming:
- Mapping of disability-inclusive education projects by key partners across GPE partner countries
- Leaving no one behind: what it means in different contexts – applying this to support partner countries; sharing experiences
- Equitable financing for leaving no one behind
- Possible related guest blog series
- Interested in sharing research, updates, news, on equity in education in low-income countries more broadly (note existing groups on disability inclusion)
